Prohibited Substances Statement – Albion Minerals

Products:

03145 Potassium Glycinate Complex	03500 Magnesium Lysinate Glycinate Chelate
03450 Calcium Bisglycinate Chelate	03508 Bororganic Glycine
03451 Magnesium Bisglycinate Chelate Buffered	03509 Ferrochel® (Ferrous Bisglycinate Chelate)
03453 Calcium Bisglycinate Chelate Granular	03513 Ferrochel® SF (Ferrous Bisglycinate Chelate Silica Free)
03455 Magnesium Bisglycinate Chelate Buffered SF (Silica Free)	03516 Zinc Arginate Chelate
03460 Calcium Bisglycinate Chelate Taste Free	03518 Vanadium Nicotinate Glycinate Chelate
03461 Magnesium Bisglycinate Chelate Taste Free	03522 Selenium Glycinate
03463 Zinc Bisglycinate Chelate Taste Free	03526 Molybdenum Glycinate Chelate
03464 Creatine MagnaPower® EU	03530 Zinc Bisglycinate Chelate Max
03465 Creatine MagnaPower® (Magnesium Creatine Chelate)	03534 Calcium Bisglycinate Chelate Buffered
03466 Iron Taste Free	03951 Magnesium Bisglycinate Chelate Buffered Granular
03476 Magnesium Bisglycinate Chelate	04048 DimaCal® Tabletable (Dicalcium Malate Tabletable)
03477 Magnesium Bisglycinate Chelate Granular	04049 DimaCal® Granular (Dicalcium Malate Granular)
03492 Chromium Nicotinate Glycinate Chelate	04050 DimaCal® (Dicalcium Malate)
03500 Magnesium Lysinate Glycinate Chelate	04051 DiMagnesium Malate
03502 Copper Bisglycinate Chelate	04052 DiMagnesium Malate Granular
03505 Manganese Bisglycinate Chelate	04055 Calcium Citrate Malate
03506 Zinc Bisglycinate Chelate	04058 Calcium Citrate Malate C
03507 Zinc Bisglycinate Chelate SF (Silica Free)	04500 Calci-K® (Calcium Potassium Phosphate Citrate)

The above-listed products are not manufactured from raw materials that are on the current World Anti-Doping Agency's Prohibited List (2025):

The WADA prohibited list includes:

- Non-approved substances
- Anabolic agents
- Peptide hormones, growth factors, related substances, and mimetics
- Beta-2 agonists
- Hormone and metabolic modulators
- Diuretics and masking agents
- M1 – M2 – M3 Prohibited Methods
- Stimulants
- Narcotics
- Cannabinoids
- Glucocorticoids
- Beta-blockers

The product(s) do not contain any ingredients found on the following sports league prohibited lists:

- NCAA Banned Substances (2021)
- NFL List of Prohibited Substances (2020)
- MLB Prohibited Substances (2015)
